The expenditure may be anticipated. For orders.

Items (ii) to (iv) in para 2 above:

With reference to para 256 of the
P.W.D. Code, special sanction of the Govt. is necessary
for carrying out electrification works departmentally

D

Otherwise than through the Agency of the Electrical Dept. Apparently departmental execution of the work at Kollonel is recommended by the Dir with a view to speed completion of the work. As regards the agency for departmental execution, the Electrical Engineer of the Govt. Sec. House, Kollonel is the Electrical Engineer of the Panchayat Board, Kollonel, who is paid an extra remuneration of Rs. 400 per m. in the House. On a previous occasion when this Engineer was put in charge of the electrification work at Kollonel for the Dir, the Panchayat Board agreed to such a case, provided it was not hindered. Nor was any special remuneration, other than the supervisory charges included in the estimate in respect of the work, paid to the ^{Clerical} Engineer for this additional item of work. The Dir has stated that the entrustment of the work mentioned at Pt-2 of the 1st or 1st will not affect the work of the Panchayat Board, Kollonel.
